Learning Log: Explore data from your daily life

Instructions

You can use this document as a template for the learning log activity: Explore data from your daily life. Type your answers in this document, and save it on your computer or Google Drive.

We recommend that you save every learning log in one folder and include a date in the file name to help you stay organized. Important information like course number, title, and activity name are already included. After you finish your learning log entry, you can come back and reread your responses later to understand how your opinions on different topics may have changed throughout the courses.

To review detailed instructions on how to complete this activity, please return to Coursera: Learning Log: Explore data from your daily life.

Date: 7 Nov 2021	**Course/topic:** Course 1: Foundations: Data, Data Everywhere
	Learning Log: Explore data from your daily life
Create a list	Create a list exploring an area of your daily life and include details, such as the date, time, cost, quantity, size, etc: Weekly study hours ● Nov 3, 0-24h, 0, 0, 0, No study ● Nov 4, 0-24h, 0, 0, 0, No study ● Nov 5, 0-24h, 0, 0, 0, No study ● Nov 6, 0-24h, 0, 0, 0, No study ● Nov 7, 10am, 2 hours, 2, study ● Nov 7, 5pm, 2 hours, 2, study
Reflection:	Write 2-3 sentences (40-60 words) in response to each of the questions below.
Questions and responses:	● Are there any trends you noticed in your behavior? *I do not study on working days, some days for laziness, or just don't feel to study on a regular basis, sit to study when I am completely free and stay home.* ● Are there factors that influence your decision-making? *No idea, I do not plan to decide to study tomorrow or next day* ● Is there anything you identified that might influence your future behavior? *Maybe set an alarm, or maintain notebook to remind me, or stay home when there's no work, not spend much on social media, wake up morning.*
